

Clifty Falls State Park

"Bluebird Box Workshop"

10:30am, Sat., February 28, 2009
Clifty Falls Nature Center

Spring will be here soon! Build a bluebird nest box! It might be the only thing your property needs to attract a pair of gorgeous Eastern bluebirds!

Introductory Program...

- Ecology of North American bluebirds.
- Includes what makes good bluebird habitat and best bluebird management practices.

Items you'll need to bring...

- #2 (medium) phillips screw driver or portable drill driver.

Pre-registration required...

- Ten bluebird box kits available... one per family. To register call the Clifty Falls Nature Center today at 812-273-0609.

Program fees...

- \$2/person age 5 and up; \$10/bluebird box kit... limit one per family; payable by check or currency at program.

Children 15 & under must be accompanied by an adult.
